ResCap Liquidating Trust

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

1. Description of Business and Basis of Presentation

The ResCap Liquidating Trust ("Trust") was formed in connection with the Plan of Reorganization under chapter 11 of the United States Bankruptcy Code ("Plan") in the bankruptcy case of Residential Capital, LLC ("ResCap"). The Plan became effective on December 17, 2013 ("Effective Date").

Units of beneficial interest ("Units") were issued by the Trust. The Units entitle their holders ("Beneficiaries") to receive a proportionate amount of cash distributions ("Declared Distributions") made by the Trust.

Basis of Presentation

The unaudited Condensed Consolidated Financial Statements (the "Statements") reflect the accounts of the Trust and subsidiaries after eliminating all significant intercompany balances and transactions. The Statements reflect all adjustments that are, in management's opinion, necessary for the fair presentation of the results for the periods presented. The Statements have not been prepared in accordance with generally accepted accounting principles; rather they have been prepared using a liquidation basis of accounting, which the Trust considers an appropriate basis of accounting at this time. The assets are stated at their estimated net realizable value, which is the amount of cash into which an asset is expected to be converted during the liquidation period. The Trust also accrues costs that it expects to incur through the end of its liquidation. The Trust will record and value affirmative settlements or judgments when realized and collectability is reasonably anticipated. The Trust does not accrue contingent costs.

These Condensed Consolidated Financial Statements should be read in conjunction with the Consolidated Financial Statements and notes thereto for the year ended December 31, 2018.

2. Restricted Cash

Restricted cash is comprised of the following (in \$000's):

	June 30, 2019	December 31, 2018
DOJ/AG consent settlement reserve	\$ -	\$ 9,444
Servicer Escrow	3,196	3,259
Distributions held for Beneficiaries	224	204
Total restricted cash	\$ 3,420	\$ 12,907

ResCap Liquidating Trust

3. Mortgage Assets

Mortgage assets are comprised of the following (in \$000's):

	June 30, 2019		December 31, 2018	
	Gross Balance	Carry Value	Gross Balance	Carry Value
Mortgage insurance claims (FHA/VA)	\$ 21,999	\$ 7,829	\$ 33,623	\$ 12,219
Non-insured mortgage loans	1,943	-	1,926	-
Real estate owned	1,158	264	1,854	1,313
Trading Securities	192	-	217	-
Total mortgage assets	\$ 25,292	\$ 8,093	\$ 37,620	\$ 13,532

Mortgage insurance claims gross balances are mainly comprised of \$7.7 million of mortgage principal and \$14.1 million of servicing advances. The Trust is actively marketing all real estate owned assets. The Trust carrying value reflects the net present value of the cash flows expected to be received over the lifetime of the mortgage assets. Because of the uncertainties associated with estimating the amounts, timing and likelihood of possible outcomes, actual results could differ from the Trust's estimates.

Mortgage Insurance Claims resolution timelines are subject to asset specific hurdles, including but not limited to eviction, litigation, property preservation work to place the property in conveyable condition, and HUD review and approval. During this period, the Trust will continue to advance property related expenses (e.g. legal, taxes, preservation) which are subject to curtailment by HUD.

4. Other Receivables

Other receivables is comprised of the following (in \$000's):

	June 30, 2019	December 31, 2018
Affirmative Matters, net	\$ 183	\$ 25,157
Other Receivables	1,901	1,647
Total other receivables	\$ 2,084	\$ 26,804

5. Estimated Costs to Operate the Trust

Estimated costs to operate the Trust are comprised of the following (in \$000's):

	June 30, 2019	December 31, 2018
Professional fees (legal, expert, other professional costs)	\$ 48,893	\$ 76,161
Compensation	10,575	12,223
Document management	14,742	11,719
Information technology	6,782	4,089
Other operating costs	8,655	6,090
Total costs to operate the Trust	\$ 89,647	\$ 110,282

The estimated cost to operate the Trust is \$89.6 million reflecting a net decrease of \$3.9 million from the prior quarter. The cost to operate the Trust reflects an increase of \$7.7 million for the extension of the Trust through May 2021 to support the continuing work with the correspondent litigation and final wind

ResCap Liquidating Trust

down actions and is offset by quarterly payments. Of the total \$89.6 million, there is \$12.4 million of expenses that have been incurred but not yet paid and \$77.2 million of expected future costs for July 2019 forward. Of the future \$77.2 million cost, \$33.2 supports the on-going RMBS litigation and \$44.0 million represents contractual obligations and the future costs for the operations and winddown of the Trust.

6. Commitments and Contingencies

DOJ/AG Consent Settlement

On April 9, 2019, the DOJ issued a letter stating that based on the efforts the Trust and its administrators have conducted to-date, the United States concluded it can close the matter related to the SCRA remediation. The reserve related to this matter was released in the amount of \$9.4 million.

Litigation

From time to time claims may be asserted against the Trust. At this time, the Trust cannot estimate the possible financial effect of these claims.

Affirmative Matters

The Trust is pursuing various affirmative matters. These include:

- Indemnity and breach of contract claims (the “Correspondent Litigation”) against correspondent lenders that sold loans to Residential Funding Company LLC (“RFC”) (a subsidiary of ResCap) have been brought in various court jurisdictions, seeking recovery of liabilities and losses that RFC incurred by virtue of its purchase from the defendants of residential mortgage loans that breached the defendants’ representations and warranties through litigation and non-litigation processes.

On June 21, 2019, The Court issued an order awarding the Trust a total of \$68.5 million dollars against Home Loan Center Inc. (“HLC”). On July 19, 2019, HLC filed an appeal of the order to the 8th circuit Court of Appeals. On July 21, 2019, HLC filed Chapter 11 in the Northern District of California (Case 19-51455). On July 31, 2019, the Trust filed a motion to convert the case to a Chapter 7. Per the Trust’s accounting policy, the Trust has not recorded the judgments in these Condensed Consolidated Financial Statements.

Two additional cases remain outstanding which are in the pre-trial stages.

- Other affirmative matters. The Trust is party to certain other affirmative matters, including an action against certain insurers for failure to cover certain settlement costs.
- Reservation of rights. The Trust has reserved its rights with respect to other affirmative claims it may bring in the future.

At this time, the Trust cannot predict the outcome of these matters or estimate the possible financial effect of these matters on the Condensed Consolidated Financial Statements, and as such, neither contingent gains nor any contingent costs to pursue these matters are currently recorded.

Since the Effective Date, through June 30, 2019 and excluding subsequent events, the Trust settled a total of \$1,260.1 million in affirmative matters including \$1,207.5 million in Correspondent Litigation, \$9.7 million in International, and \$42.9 million in other matters. Of the total, \$0.2 million has not yet been received and is recorded in Other Receivables, net of a reserve for uncollectible amounts.

Q2 2019 Beneficiary Letter

August 2, 2019

LIQUIDATING TRUST

Dear Beneficiaries:

The Trust continued its efforts into Q2 2019 to generate value for the beneficiaries and effectively and efficiently wind down the Trust. Some key highlights of the successful quarter are outlined below.

On June 21, 2019, the Court issued an order awarding the Trust a total of \$68.5 million dollars against Home Loan Center Inc. ("HLC"). On July 19, 2019, HLC filed an appeal of the order to the 8th circuit Court of Appeals. On July 21, 2019, HLC filed Chapter 11 in the Northern District of California (Case 19-51455). On July 31, 2019, the Trust filed a motion to convert the case to a Chapter 7. Per the Trust's accounting policy, the Trust has not recorded the judgments in its Financial Statements at this time.

As of the date of this letter, the Trust is litigating two cases against correspondent lenders which are pending in Federal District Court in Minnesota. One of the two remaining cases, Primary Residential Mortgage, Inc., is set for bench trial in February 2020.

The Trust has reached settlements totaling approximately \$1.2 billion since the inception of the Trust through June 30, 2019. Since inception, the Trust has distributed a cumulative amount of \$16.14 per unit, and \$33.79 per unit inclusive of the Plan effective date distributions.

The Trust continues to work with LoanCare and HUD to pursue claim recoveries with respect to our remaining insured loan portfolio and the sale of our Real Estate Owned (REO) properties. As of June 30, 2019, there are fewer than 20 assets pending filing of the initial claim with HUD, with 12 of those still actively being worked to clear various hurdles for HUD claims. Carrying value for the mortgage loan portfolio of \$8.1 million represents the Trust's future expected recovery based on the current path for disposition. Timing of full recovery of the mortgage loan portfolio is affected by the inherent nature of the troubled assets.

The Administrative Set Aside of \$89.6 million reflects the extension of the Trust through May 2021 to support the continuing work with the correspondent litigation and final wind down actions. Of the total Administrative Set Aside expense, there is \$12.4 million of expenses incurred but not yet paid and \$77.2 million of expected future costs for July 2019 forward. Of the future \$77.2 million cost, \$33.2 supports the on-going RMBS litigation and \$44.0 represents contractual obligations and the future costs for the operations and winddown of the Trust.

To aid Beneficiaries in their tax reporting, the Trust is providing a quarterly Tax Information Letter and estimated quarterly tax information. The Tax Information Letter is being distributed along with this quarterly Beneficiary Letter.

RESCAP
